**150 Great Places to
Work in Healthcare**

Becker's Healthcare Names 150 Great Places to Work in Healthcare

CHICAGO (**embargoed until 8 a.m. CDT Monday May 5**) — Becker's Healthcare has published its 2014 list of "150 Great Places to Work in Healthcare," a compilation of hospitals, health systems, ambulatory surgery centers, physician groups, vendors and other healthcare organizations that provide excellent work environments and outstanding benefits to their employees.

Becker's Healthcare has been compiling a list of Great Places to Work in Healthcare annually since 2011, but this is the first year nonprovider organizations were included on the list.

To develop the list, the Becker's Healthcare editorial team conducted research, considered nominations and evaluated organizations based on their benefits, workplace culture, professional development opportunities and previous recognition for workplace excellence. The resulting list is a compilation of 150 healthcare organizations that go above and beyond for their employees and are great places to work.

The organizations included in the 2014 edition of the list are:

Advocate Health Care (Downers Grove, Ill.)

Agnesian HealthCare (Fond du Lac, Wis.)

Akron (Ohio) Children's Hospital

Ambulatory Surgical Center of Stevens Point (Wis.)

Ann & Robert H. Lurie Children's Hospital of Chicago

athenahealth (Watertown, Mass.)

About *Becker's Hospital Review*

Becker's Hospital Review is a monthly publication offering up-to-date business and legal news and analysis relating to hospitals and health systems. Content is geared toward high-level hospital leaders, and we work to provide valuable content, including hospital and health system news, best practices and legal guidance specifically for these decision-makers. Each issue of *Becker's Hospital Review* reaches more than 18,000 people, primarily acute-care hospital CEOs, CFOs and CIOs.
